## The Cause

Support a great cause! The theme of the night is beginning to end... not only are we celebrating the changing phases of life but also the evolution of the changing year. So often it is those in need that go unnoticed when in fact they are the ones most in need of support.

This elegant evening is to support the efforts of District 5130 (which is comprised of 46 Rotary Clubs) that sends abused children to a week of camp each year. The camp focuses on improved confidence, learning new skills, positive role modeling in a safe, fun environment. The experience is not a therapy-based program; it serves as week where children can just be themselves and create positive experiences that will last a lifetime.

Our New Year's Eve Gala also supports Silver Tsunami's efforts to bring education and support to families dealing with declining loved ones. The Silver Tsunami also produces the Elder Care Expo which is a wonderful event bringing a variety of organizations and options to those looking for assistance during the difficult time of caring for an aging loved one in the last phase of life.
