

“How Much Does My Child Ride?”

Beginning in camp season 2020, we have made some exciting changes to the horseback riding schedules for each of our day camp programs. These changes have been made after careful discussion and consideration, incorporate parent and staff feedback, and have been established to create the best experience we can offer to each child while still allowing for individual decisions on desire to ride and family budgets!

First, EVERY day camp program we offer now includes at least one riding lesson for every child. Second, we are no longer offering add-on lessons. Each of the three day camp programs offers a different amount of included riding. Now instead of selecting a program and having to possibly add on rides, you will select your program based on how many rides you want your child to have as a part of their camp experience. We do recommend you discuss with your child, as not all children enjoy riding to the same degree.

Below you will find a table to help you choose which program will be the best fit for your child.

	Ages 4 to 6	Ages 7 and Up
Ranch Adventure \$349/week	One riding lesson in arena	One riding lesson in arena and may sign up for Friday horse show
Classic \$439/week	Two riding lessons in arena	Two riding lessons (2 nd one will be trail ride if they show adequate ability), and may sign up for Friday horse show
Equestrian \$530/week	Minimum of 4 lessons in arena and may sign up for Friday horse show.	Minimum of 4 lessons (at least 1 will be a trail ride if they show adequate ability), and may sign up for Friday horse show.
